

### DIRECT DEPOSIT

If you would like to sign up for direct deposit, please attach a voided check from the account into which you would like your payments to go. Please note that direct deposit can take up to three weeks to process. In the mean time, you will receive a “live” check from us. Even if your current temporary assignment with Strategic is short term, it does not hurt to set up direct deposit now, as it would remain in effect for future projects through us.

Strategic strongly encourages candidates to sign up for direct deposit so that you can receive your earnings immediately. Once direct deposit is in effect, your payments will appear in your account on the morning of your normal pay day.

Please staple your voided check below and send it to our office at  
Strategic Workforce Solutions  
110 E 42nd Street, Suite 800  
New York, NY 10017  
Attention: Payroll Department

I authorize Strategic to deposit my earnings into the attached account. I also authorize Strategic to make any adjustments to my account should they be so required.
